Github@[sOurav6529](https://github.com/sOurav6529) LinkedIn@[sOurav6529](https://www.linkedin.com/in/sOurav6529/) & Portfolio

Tech enthusiast & problem solver with strong experience in **data structures and algorithms**. Passionate about applying AI to solve real-life problems & building impactful, efficient solutions. Eager to explore new technologies & hands-on experiences.

Experiences

- **Software Engineer I - Smart Field Service.** Banani-Dhaka, Dec 2023 - Present
 - Engineered scalable backend(Node,Django) and core system functionalities with an emphasis on performance and clean code practices. Conducted AI research and development while producing detailed documentation to support seamless implementation and team onboarding.
- **Brain Station 23 (Academic Internship)** Mirpur DOHS-Dhaka, Nov 2022 - Dec 2022
 - Gained insights into the software industry while enhancing communication and collaboration skills through interaction with professional software engineers.

Technical Skills & Projects

- **Problem Solving** 2019 - Present
 - Almost ([2500+](#) and counting) **Data structure & Mathematical** related problems solved on several platform.
 - Participated almost **250+** online & offline contests on several platform.
 - **Codeforces Max-rating 1421 (Specialist)**. Handle:[@sOurav6529](https://codeforces.com/profile/sOurav6529)
- **Language & Framework**
 - C++(Advanced), JavaScript, python & NodeJs, ReactJs, Django.
- **Developers Tools**
 - Git, Github, Gitlab, docker etc.
- **Projects**
 - **ChatApp** [@github](#) - Built a real-time chat platform using EJS, JavaScript, Node.js, Express.js, and MongoDB to enable smooth and collaborative user interactions.
 - **Blog Kori** [@github](#) - Developed a full-stack Laravel blog platform with integrated frontend and backend for creating, managing, and interacting with blog content.
 - **Chat Buddy** - Built an AI-driven RAG chatbot using N8N that engages in human-like conversations and delivers smart, contextual answers to real-world queries.

Education

- **Dhaka University of Engineering & Technology, Gazipur** 2019 - 2023
 - B.Sc, Computer Science and Engineering.

Competitive Programming

- **ICPC Asia West Continent Finalist 2021** 24 Dec 2022
 - Our team was the 19'th team from our country to participate **internationally**.
- **ICPC Asia Dhaka Regional Contest 2021** 8 Oct 2022
 - Selected for ICPC Asia Dhaka Regional 2021 hosted by BUBT and secured **40'th** rank among **165** teams.
- **Inter University Programming Contest** Jun 2022 - Jul 2022
 - BUET IUPC 2022 - BUET , RUET IUPC 2022 - RUET , AUST IUPC 2022 - AUST.

Awards and Achievements

- **Champion of Intra-DUET Programming Contest** (2022, Became the **champion** of Intra-DUET Programming Contest held by DUET Computer Society, DUET)
- **Ranked 3rd countrywise & 20th globally at Codechef Starters 81 Division 2** (2023, Secured **3rd countrywise & 20th place globally** among 1352 participants in this Codechef round).
Handle: [codepro16](#)
- **Judge & Author of Intra-DUET Programming Contest-2024.**
Handle: [SMU_coder](#)

Field of Interests

- **Software development**, Data Structure, Artificial Intelligence, Computer system and anything that stirs the intellectual interest.
